

Little Lincoln's Fireside Tales – School

School-Year Adventure Challenge!

Achievement Vests

As a young boy, Abraham Lincoln was adventurous and loved to set personal goals for himself. To preserve the legacy of his adventurous spirit, we created the School-Year Adventure Challenge! We have compiled a list of fun challenges and activities for you to complete. As you complete them, decorate your vest to show off your new achievements.

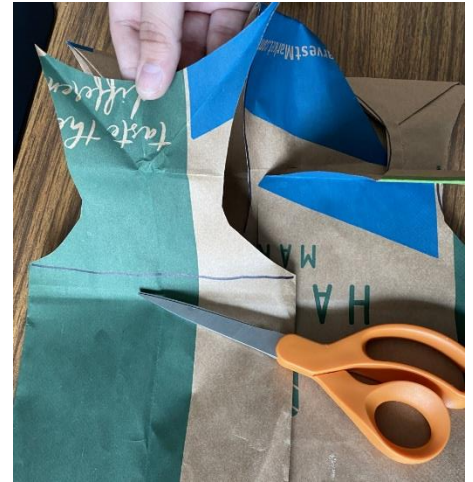

Have a parent or guardian help cut out the vest shape using the guide lines we provided. Every time you accomplish a challenge or complete an activity, you can color and cut out the corresponding badge and glue it onto your School-Year Adventure vest.

Go out and be the best adventurer you can be!

Step-by-step Instructions!

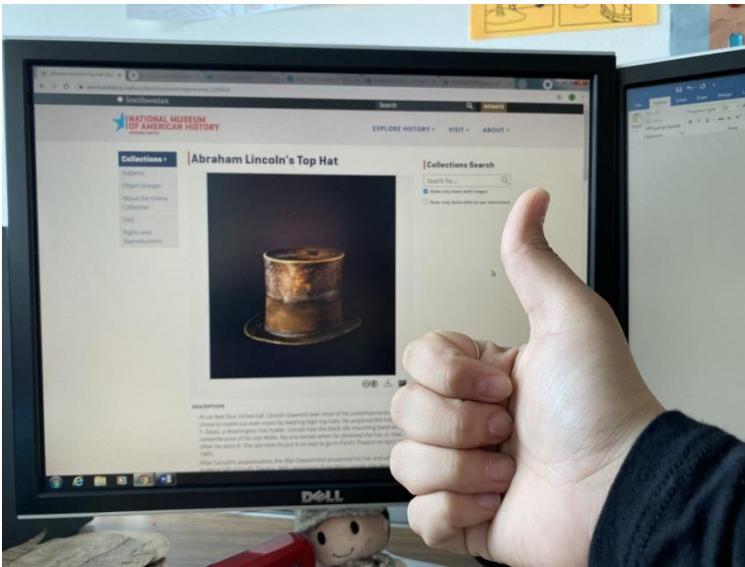

1. Cut out your scout's vest using the drawn-on lines as a guide. (have a parent or guardian help you with this step!)

2. Look at what challenges/ tasks we have available and choose you you'd like to accomplish that day.

3. Once you have completed the task, color, cut, and paste your badge onto your scout vest!

4. Try to accomplish as many challenges and tasks as you can to decorate your cool new vest!
