It's All About Perspective

Summer Reading Club: *Hello, Universe*

In *Hello, Universe*, Erin Entrada Kelly weaves together the unique perspectives of Valencia, Virgil, Chet, and Kaori. Now it's your turn! Using the prompt below, develop your own story by writing from the perspective of any of the following characters. Remember to include the setting, details of what each character does, thoughts, and dialogue. Spend time developing unique personalities and points of view for each character.

Prompt: *Crystal, Eddie, Maria, and Jared all agree they should go see a movie. Create a story about them and their trip to the movie theater.*
